

Easy Ways to Save with FreeCoupons.com

“The secret is out. Coupons are cash!” Marnie Moore reveals all in her free eBook now available at FreeCoupons.com.

Avila Beach, CA - September 1, 2009

Veteran deal hunter Marnie Moore makes coupons easy for everyone with this very practical users guide to turning coupons into cash. Once you have read this, you too can start sharing in the rewards of cash and savings at the checkout stand.

Read an excerpt from her book: “Whether you clip them, print them, or use online codes, coupons make that total at the cash register go down, down, down. Just like with any savings or investment strategy, you have to take time to plan, work a system, and stick with it. But this time, you're having fun! Getting started can seem overwhelming. Relax, take your time, it's easy! Start small, and build up to bigger savings. You'll soon find you are "addicted" to saving money each time you shop and thrive on finding deals for everyday items at pennies on the dollar.”
